

Fondazione Cariplo and Fondazione Telethon Joint Call for Applications – 2026

Bando congiunto per l'esplorazione degli
aspetti meno indagati delle malattie rare

Incontro informativo, 23 luglio 2026

Agenda

Prima Parte

- Fondazione Cariplo e Fondazione Telethon
- Informazioni generali sul bando
- Tipologie di Grant e Ruoli nel progetto
- Criteri di ammissibilità
- L'iter e i criteri di valutazione

Seconda parte

- Guida pratica su come applicare
- Q&A

Fondazione Cariplo

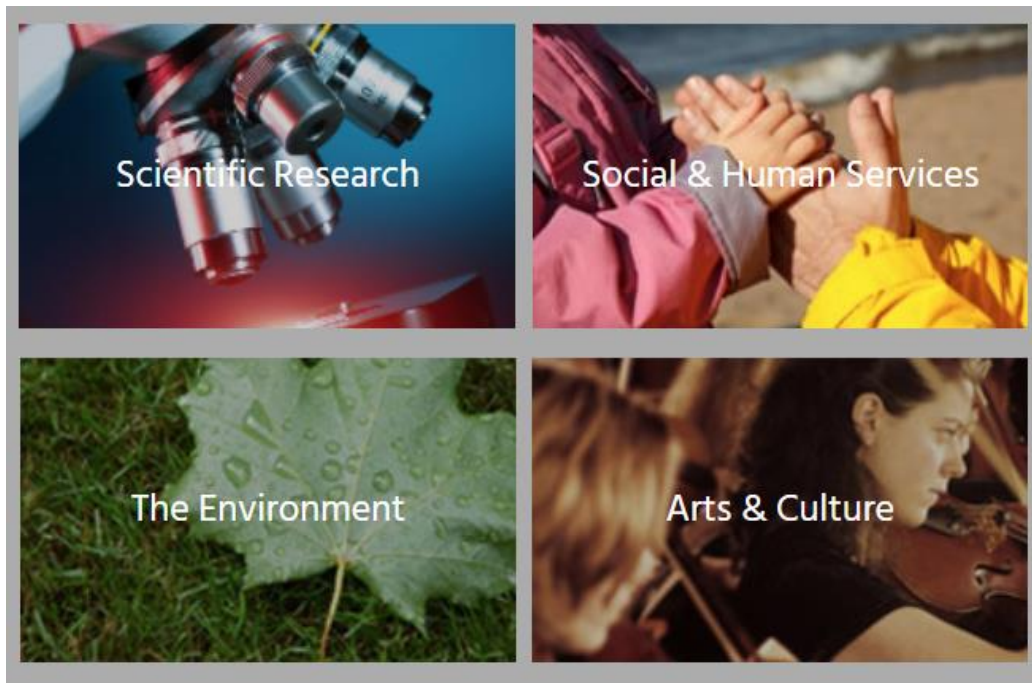

Fondazione Cariplo è una fondazione di origine bancaria che opera con finalità filantropiche nei settori dell'arte e della cultura, dell'ambiente, del welfare sociale e della ricerca scientifica

La Fondazione mira a **creare opportunità e generare valore per le persone e le comunità locali**, sostenendo organizzazioni non profit pubbliche e private attive in Lombardia e nelle province di Novara e del Verbano-Cusio-Ossola

Le aree filantropiche e le linee di mandato

Creare valore condiviso

Ridurre le disuguaglianze

Allargare i confini

Creare le condizioni abilitanti

Dal 2025, la Fondazione opera in modo trasversale tra team di erogazione, discipline e settori, concentrandosi su ambiti specifici: i giovani NEET, la prima infanzia, la disabilità, le persone detenute

L'area Ricerca Scientifica

Supportare la ricerca

Sostenere la produzione di conoscenza di base multidisciplinare per il benessere e lo sviluppo socioeconomico della collettività

- Generare **conoscenza** per il benessere delle persone e lo sviluppo delle comunità
- Visione di **lungo termine** (sviluppo di condizioni abilitanti, studi di foresight, ecc.)
- Forte orientamento alla costruzione di **partnership** nazionali e internazionali
- Valorizzazione del **rigore** metodologico, della cultura del merito e delle evidenze scientifiche.

Fondazione Telethon ETS

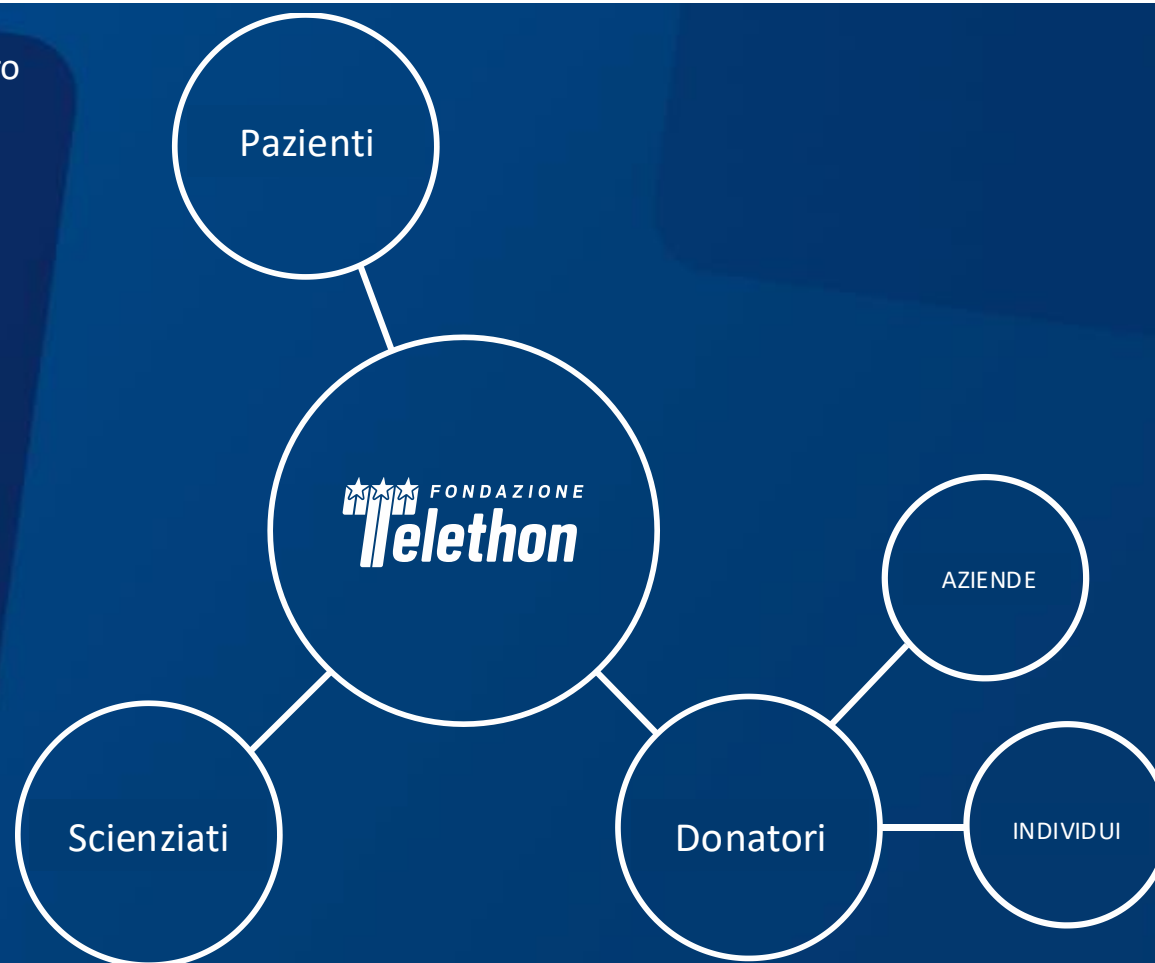

Organizzazione italiana senza scopo di lucro focalizzata sulle **malattie genetiche rare**.

MISSIONE

Far progredire la ricerca biomedica verso il trattamento delle malattie genetiche rare

VISIONE

Trasformare i risultati della ricerca d'eccellenza in terapie accessibili

Fondazione Telethon ETS

Il modello di investimento e i numeri

790
MILIONI €
investiti in
ricerca dal 1990

3,186
Progetti finanziati su
tutto il territorio
nazionale

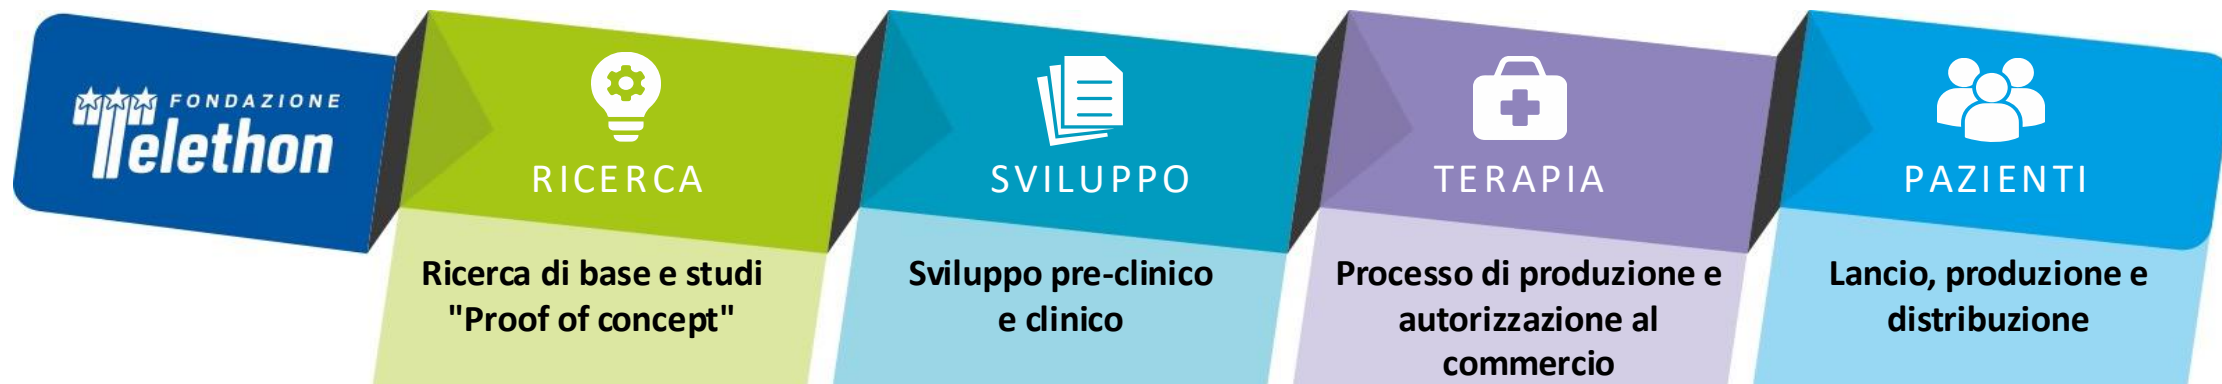

676
Malattie studiate

1,958
Scienziati finanziati

255
ISTITUTI
Finanziati in
Italia

Il bando - Joint Call for Applications – 2026

Fondazione Cariplo – Fondazione Telethon Joint Call 2026

Il bando

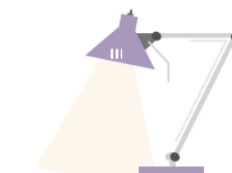

Cosa finanzia il bando?

Progetti di ricerca di base su geni/famiglie di geni, proteine e molecole di RNA messaggero, la cui funzione è sconosciuta, **nell'ambito delle malattie rare genetiche** (monogeniche/poligeniche) **e non genetiche**.

I **progetti** possono concentrarsi su

- geni associati a malattie rare con funzione totalmente o in gran parte sconosciuta
- un singolo genotipo associato a fenotipi clinici multipli
- modificatori genetici

Elementi
principali

Fondazione Cariplo – Fondazione Telethon Joint Call 2026

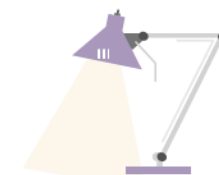

Il focus del bando

Focus Tdark

- Il target scelto deve essere classificato come **Tdark**.
- Lo status va verificato tramite il file "**Pharos_Target_Classification**" (colonna "tdl"), che rappresenta la **classificazione aggiornata** di tutte le **proteine canoniche** rilasciata dall'NIH a Maggio 2026 (e disponibile nella sezione Data Download del sito Pharos al link <https://opendata.ncats.nih.gov/public/pharos/>)

Importante

Non è necessario che l'**associazione tra Tdark e la malattia** sia già stata dimostrata o pubblicata, ma deve essere supportata da un solido razionale scientifico oltre che ad essere chiaramente **motivata e giustificata**.

Elementi
principali

Fondazione Cariplo – Fondazione Telethon Joint Call 2026

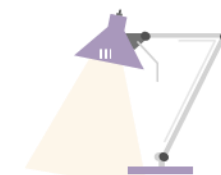

Tipologie di grant

PILOT APPLICATIONS

- Durata massima: **1 anno**
- Contributo massimo richiedibile*: **50.000 €**
- **Dati preliminari non obbligatori** (ma consigliati)
- Centri ammessi: solo **1 centro**
- No-cost extension: **fino a 6 mesi**

FULL APPLICATIONS

- Durata massima: **2 anni**
- Contributo massimo richiedibile*: **250.000 €**
- **Dati preliminari obbligatori**
- Centri ammessi: **1 o 2 centri** (Lead e Partner)
- No-cost extension: **fino a 12 mesi**

Elementi
principali

Importante

- Ogni Applicant (Lead o Partner) può partecipare ad **una sola tipologia di grant** con **una sola application**.
- I progetti rappresentano un'**opportunità formativa** e di **crescita professionale per i giovani** ricercatori coinvolti
- È obbligatorio prevedere attività di **disseminazione verso la società civile**

Fondazione Cariplo – Fondazione Telethon Joint Call 2026

I ruoli nel progetto

LEAD APPLICANT

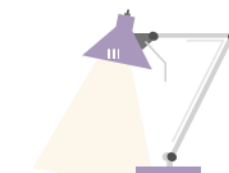

- Presente in entrambe le tipologie (Pilot e Full) e crea, compila e gestisce l'application
- Responsabile del progetto e della **sottomissione finale**
- Se Junior, dovrà caricare una **Independence Statement** redatta e firmata dal suo **Chief of the Lab**

PARTNER (Co-Applicant)

- Solo **Full Applications bi-centriche** (max 1 Partner)
- Ugualmente responsabile della preparazione e sottomissione della propria parte di Application
- Può avere un **budget dedicato** (nel tetto complessivo di €250.000)
- Deve appartenere a un lab diverso da quello del Lead ma può far parte dello stesso Ente di ricerca
- Se Junior, dovrà caricare una Independence Statement redatta e firmata dal suo Chief of the Lab

COLLABORATORI

- Ammessi in entrambe le tipologie (Pilot e Full)
 - Possono essere aggiunti sia dal Lead Applicant che dal Partner
 - **NON** possono richiedere budget
 - **Numero non limitato**, ma contributo attivo va giustificato
 - Ognuno deve inviare una **Collaboration Letter firmata** che deve essere caricata dall'Applicant nel form
 - Possono essere affiliati ad un **Ente italiano o estero**
 - **NON** possono essere dello **stesso lab dell'Applicant (NON STAFF)***
 - I candidati (Lead Applicant e Partner) possono essere collaboratori in altre Applications
- * Lo staff che lavorerà sul progetto, a prescindere dalla richiesta di salario, va inserito nella sezione Budget alla voce Personnel & Salaries

Elementi
principali

Fondazione Cariplo – Fondazione Telethon Joint Call 2026

Criteria di ammissibilità

1. Malattie

Ammesse:

- **Malattie rare di origine genetica e non genetica** → classificazione via **orpha.net** e **omim.org** (se genetica)

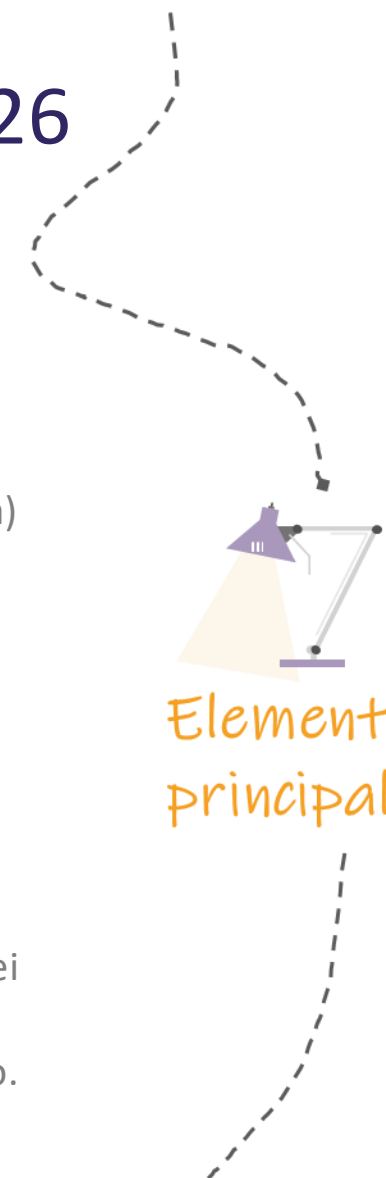

NON ammesse:

- **SLA / ALS** (finanziata da AriSLA)
- **Non-coding RNA** (miRNA, lncRNA ecc.)

2. Tipologie di candidature

- **New application:** progetto nuovo.
- **Resubmission (Revised):** progetto non finanziato in precedenza, sostanzialmente rivisto sulla base dei commenti dei revisori (ammessa una sola riproposizione). Richiede la compilazione della Cover Letter.
- **Renewal:** richiesta di finanziamento aggiuntivo per la prosecuzione di un progetto già finanziato. Ammessa **SOLO per le Full Applications**. Richiede la compilazione dei "Previous Achievements".

Importante: Le Revised e le Renewal sono valutate in competizione con tutte le altre candidature.

Elementi
principali

Fondazione Cariplo – Fondazione Telethon Joint Call 2026

Criteria di ammissibilità

3. Enti

Ammessi:

- Enti di ricerca pubblici o privati **non-profit***
- Enti di ricerca che svolgono la loro attività su **tutto il territorio nazionale italiano**

NON ammessi:

- Enti di ricerca **profit**
- Ricercatori affiliati a **TIGEM e SR-TIGET**

** Sono ammesse solo le proposte di ricerca presentate da candidati che operano presso istituti di ricerca italiani pubblici o privati, senza scopo di lucro per la cui natura giuridica e per il cui statuto ricorre il divieto generale di distribuzione di utili/avanzi anche in forma indiretta e la devoluzione del patrimonio a fini analoghi in caso di scioglimento. Sono esclusi soggetti societari lucrativi (S.p.A., S.r.l., ecc.) anche se prevedono vincoli parziali o settoriali sulla ricerca.*

4. Candidati

Ammessi:

- **Titolari di grant FC - FT attivi, SOLO SE** il grant si trova **nell'ultimo anno amministrativo** (e, per i finanziati FT, questi hanno già sottomesso il report amministrativo intermedio all'Ufficio Gestione Grant di FT)
- **Titolari di altri grant FC o FT attivi** o candidati in attesa di conoscere l'esito ad altri bandi

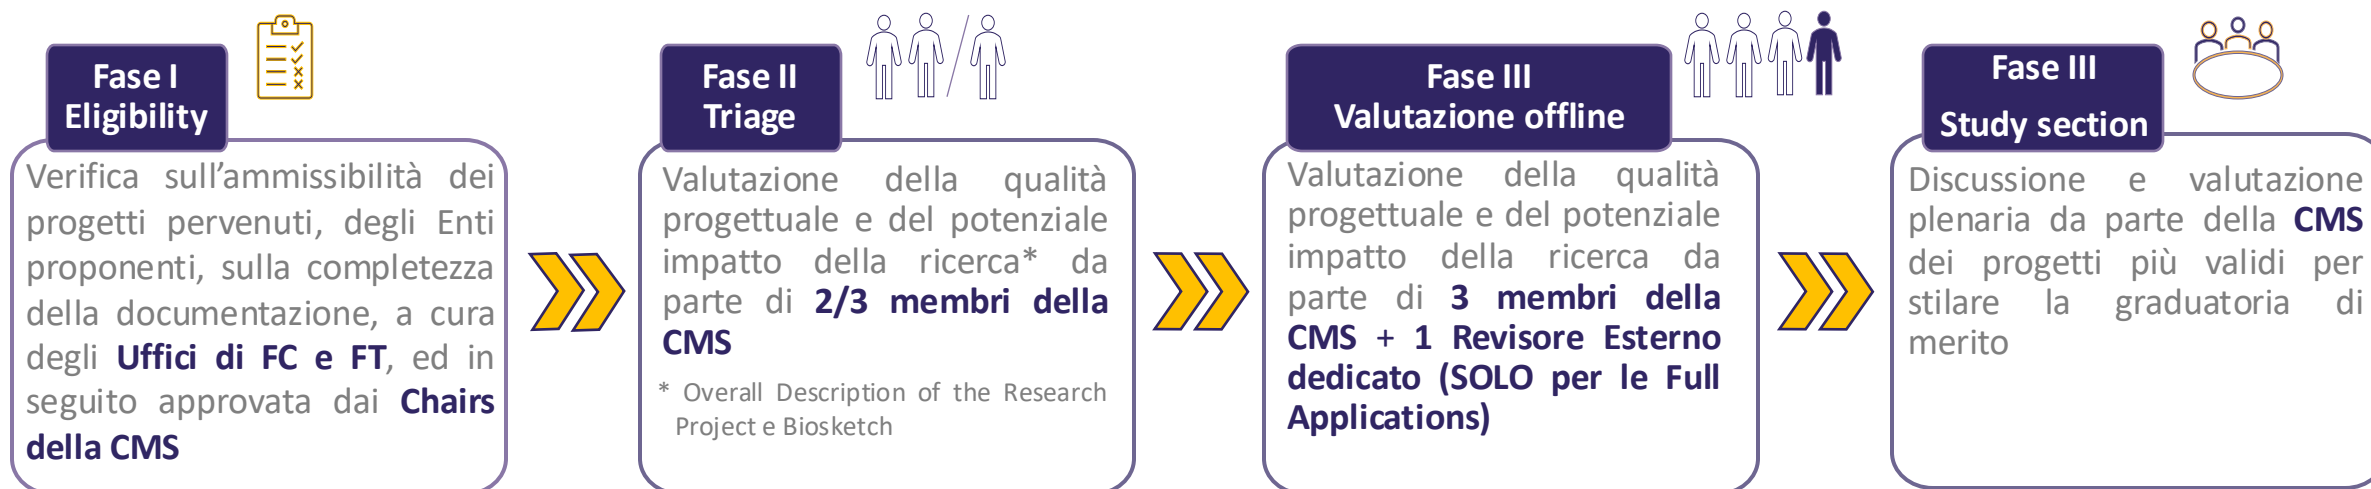

NON ammessi:

- Applicants titolari di un grant Pilot attivo

Elementi
principali

Fondazione Cariplo – Fondazione Telethon Joint Call 2026

L'iter di valutazione

COMUNICAZIONI

Fase I – Eligibility Check → ai soli NON eleggibili entro **metà ottobre 2026**

Fase II – Triage → esiti a tutti i candidati entro **metà dicembre 2026**

Fase III – Full Review → esiti finali e accesso ai Review Reports entro **maggio 2027**

* CMS: Commissione Medico Scientifica

Cariplo Telethon Joint Call 2026

I criteri di valutazione

TRIAGE

PILOT e FULL APPLICATIONS

- Valutazione sul merito scientifico basata sulla **Overall Description of the Research Project** e sul **Biosketch**
- I Revisori della CMS individuano le debolezze del progetto e possono inserire dei Commenti aggiuntivi

Weaknesses:

- not hypothesis-driven
- not original and/or innovative
- inappropriate design and methods
- not feasible
- weak preliminary studies (only Full Applications)
- poor rationale
- weak Tdark/disease link
- weak genetic link (if relevant)
- other (to specify in the comments)

FULL REVIEW

PILOT APPLICATIONS

1. Project quality and feasibility

- science significance and originality
- design and method appropriateness
- project feasibility
- team competence
- budget adequacy

FULL APPLICATIONS

1. Project quality and feasibility (80%)

- science significance and originality
- design and method appropriateness
- project feasibility
- team competence
- budget adequacy

2. Potential impact (20%)

- potential impact of project results on the scientific community and patients in the long-term

Struttura dell'Application – Partner View

Fondazione Cariplo – Fondazione Telethon Joint Call 2026

Procedura di validazione e sottomissione

1. Inserimento dell'Approver in application da parte del Lead Applicant (e Partner)

The screenshot displays the 'Approver' section of the application portal. On the left is a blue sidebar with 'PAGE NAVIGATION' and a 'Main' link. The top navigation bar includes 'Home', 'Menu', and a list of tabs: 'PROJECT OVERVIEW', 'RESEARCH PROPOSAL', 'ETHICAL DOCUMENTS', 'HOST INSTITUTION', 'CONTACTS' (which is active), 'BUDGET', 'BIOSKETCH', 'REVIEWERS', 'DECLARATIONS', and 'DOCU'. Below the tabs, the title 'Approver' is shown. A light blue information box contains instructions: 'There must be one selected Institution Signatory to be able to submit the Application. To add an Approver, use the dropdown menu and select one of the listed institutional contacts already registered in the platform. If an Institution Signatory cannot be found using the dropdown menu, click on Create Signatory button to register a new Institution Signatory. The new Institution Signatory will be notified via email to access the portal and set up a new password. Once the Applicant has created the new Institution Signatory, this will be available to select from the dropdown menu to send the Application for signature.' Below this, a dropdown menu is open, showing a list of institutional contacts. A red arrow points to the dropdown arrow icon. The list includes: 'Approver Signatory ApproverSignatory@test.com (Dept. Microscopy Test)', 'NewNew Approver newnewapprover@test.com (Dept. Microscopy Test)', 'Aldo MultiRoles io@test.com (DD Test - RR Test)', 'Approver Signatory1 ApproverSignatory1@test.com (DD Test - RR Test)', and 'New InstitutionSignatory'.

Approver

There must be one selected Institution Signatory to be able to submit the Application. To add an Approver, use the dropdown menu and select one of the listed institutional contacts already registered in the platform.

If an Institution Signatory cannot be found using the dropdown menu, click on Create Signatory button to register a new Institution Signatory. The new Institution Signatory will be notified via email to access the portal and set up a new password. Once the Applicant has created the new Institution Signatory, this will be available to select from the dropdown menu to send the Application for signature.

Select One

- Approver Signatory ApproverSignatory@test.com (Dept. Microscopy Test)
- NewNew Approver newnewapprover@test.com (Dept. Microscopy Test)
- Aldo MultiRoles io@test.com (DD Test - RR Test)
- Approver Signatory1 ApproverSignatory1@test.com (DD Test - RR Test)
- New InstitutionSignatory

Declarations

I, Institution Signatory, in the role of /on behalf of the Institution's Director or Responsible Official or Administrative Representative agree with the following statements:

- ☒ The Organisation is eligible: it has to be either a public or a private Italian non-profit research Organisation
- ☒ The Applicant is authorized to submit the Application on the Organisation's behalf.
- ☒ The Organisation undertakes to respect any and all conditions under the Call for Application and discharges Fondazione Telethon ETS (and/or its Alliance partners, in case of Joint Calls, Initiatives) from any liability related to any breach of said conditions by the Applicant and/or by the Organisation itself.
- ☒ The Organisation declares to have provided the Applicant and any researcher involved in the Application (Key Personnel or Collaborator) with the information to data subjects attached to the Call for Application in Appendix 1. It also declares that the relevant consents have been gathered in order to be authorized to indicate the personal data of the Applicant and any other researcher in the Application.
- ☒ The Organisation declares to be aware that Fondazione Telethon ETS (and/or its Alliance partners, in case of Joint Calls, Initiatives) can, at any time, request the above-mentioned documents (Information to data subjects and declaration of consent) and that the Organisation shall deliver any relevant document, according to such request.
- ☒ The Organisation declares to have read the research Application filled-in by the Applicant, and that it is complete and correct.
- ☒ The Organisation declares that it will provide the necessary facilities and personnel to carry out this research project, and that it is aware of the content of the Grant Management Regulation, related to the Call under which the Application is submitted.
- ☒ If the Applicant has stated to have a dual appointment in a foreign Institution, the Organisation acknowledges such statement and declares that the double appointment does not conflict with the time commitment indicated by the Investigator within the Application for effective conduct of the proposed research project.

I hereby certify that all information submitted in the online application form is accurate and complete.

Applications bicentriche - Partner

1. Invito da parte del Lead Applicant

The screenshot shows the application portal interface. On the left is a blue sidebar with 'PAGE NAVIGATION' and a 'Main' link. The top navigation bar includes 'Home', 'Menu', and a notification bell. The main content area is titled 'CONTACTS' and contains two informational boxes. The first box explains how to invite collaborators using an icon and how to remove them. Below this is a table with columns: Prefix, First Name, Last Name, Email, Role, and Status. The table is currently empty, displaying 'No Results Found'. The second informational box explains how to invite multicenter application partners, including a limit of 1 partner per application. Below this is another table with the same columns. A red arrow points to the 'Add' icon (a person with a plus sign) in the bottom left of the second table. At the bottom right, there are buttons for '< Back', 'Delete', 'Send for Signature', 'Save Draft', and 'Next >'. A 'JUMP TO' sidebar on the right lists 'Approver', 'Collaborators', and 'Partners' (which is highlighted).
